JUNIOR DRIVER LICENSING 2014 2015

Please be aware that due to the need for me to apply to Maritime NZ for permission to hold a licence, Junior Licence applications could take up to 14 days longer depending on return of permission from MNZ.

Evidence of juniors attending a training day must be supplied with application for licensing, although hopefully, the hosting clubs/zones will provide me with this evidence.

Criteria for junior training will be printed in the Rule Book this year.
