NEWSLETTER

Good morning, afternoon or evening, whichever is applicable all series 3000 IBRR, and social members.

This is my first newsletter, so I do hope that this will be regular on a 3 monthly basis to keep u updated on what's happening. I'm sure my mum who is the new secretary will be on my case or maybe dad who is the new president will give me that scary look if I don't get the job done. And I mean it is scary:

The Election of officers was:

Patron:	Selwyn Coker
President:	Allan Steiner
Vice President:	Paul Robertson
Secretary/Treasurer:	Noeline Steiner
Newsletter Writer:	Chrystal Steiner

It was an awesome turn out for the AGM, and I would personally like to thank everyone that was there to support the election of the new officers. Hopefully they will get there series 3000 back on track again.

Here is also a list of the series Race dates for which we will apply to the clubs for:

Mangakino 1st and 2nd January

Wellington 11th and 12th February

Manawatu 18th and 19th February

Wanganui 10th and 11th March

Possibly the 5th venue will be Lake Kanieri 7th and 8th April or at Ngakuru if Lakeland selects to run a closing weekend. These races will be elected on the weekend itself which will be 2 Handicap and 1 scratch over the 2 day weekend

It was also suggested that we supply for 1st, 2nd and 3rd series winners that a sash is to be given out to acknowledge their placing.

I like to congratulate Bruce Packer in Brooster 1st, Allan and Noeline Steiner in Misty Blue 2nd and Darryl Pendergrast in Susie 3rd which was run in 2009. Those were the winners for that year.

Sportsman's Trophy, Bryan Denham went to Bruce Packer in Brooster.

We are also looking for our series 3000 Trophy; we believe Jeff Noble was the winner of this a few years ago. Hopefully we can get this back soon.

Remember no money, no points. So remember to have your subs paid in time before you race.

Racing subs are \$50 and extra driver will be \$10. Social members \$10.00

It was suggested at the AGM for any series 3000 boat that wish to attend the Nationals down south next year that each boatie be given anywhere from \$100 to \$200 to help towards their costs, depending on the funds that are in the account.

With this newsletter I have also attached a copy of the membership list. Could you please update this if your details are not correct. As you can see we should get \$630 in for this year if everyone pays.

Also a form for your subs is also attached. For your racing calendar you can get this from the NZPBA website and for the ones that don't have the internet a copy of this will be sent to them by mail.

Been also thinking weather it may be a good idea of having a social to do some fundraising in Marton, possibly November. What do you think let me know. Love to hear from you.

I think that's about it until you hear from me again.

Chrystal Steiner
