

MANAWATU POWER BOAT CLUB INC

The Sport of Power Boat Racing

Power Boat Racing is a fast and exhilarating sport. Our Club is home to the fastest Modified Hydroplane racer in Australasia. Steve Mathieson in "Midnight" the 2lt Powered Nissan SR20 boat reached a top speed of 138.189mph (222.393kph)

Gold Cup Race

40th Goldcup winner Steve Hughes in "Stealth" beating home his son Sam Hughes in "The Situation". These Tunnel Boats will all be running up to 135mph on the long course in the Goldcup. The V8's lead by Kent Dunlop "Razors Edge" will be hoping to have a say in the final result.

Sally Nagel Memorial

Winner last year Paul Robertson in "Going Going Gone" will be hoping for a repeat performance but will be up against the Misty Blue from Lakeland and the fast Steve Mathieson "Midnight" Hydroplane.

Clubman's Class

A very competitive and cheap introduction into Power Boat Racing. Hulls are Open to any Design you wish to run but the Engine must be a Stock 25hp Unit. They travel at about 30 – 45mph and are easy to maintain. An Entire weekends racing on just 20 litres of fuel.

S A T U R D A Y 2 1 s t J A N U A R Y 2 0 1 2

Today's entire racing is on the Short Course, except for the Carl Augustin Challenge which is held on the long course.

*All racing starts on the front straight with the exception of the Clubman's Class & Handicap Races which will start & finish on the back straight using the clock
All Times are approximate and some races may vary due to unforeseen circumstances.*
