EVENT PROGRAMME

Rotoiti Powerboat Club Regatta

WELCOME RACE FANS

The Rotoiti Power Boat Club is proud to once again be holding its Annual Power Boat Regatta on beautiful Lake Rotoiti in the heart of the Nelson Lakes National Park. The event will see some of the fastest craft on water competing for various championships and trophies to become the best of the best on water in New Zealand.

The annual event has become a historic icon to the Tasman and Marlborough community and many families enjoy a weekend that is fast, friendly, and fun.

We say a huge thank you to all of the Club's supporters and the individuals put in a huge amount of time and effort to make the event happen.

We also thank our sponsors for their support and without them the event would happen.

We wish all the race fans a fantastic weekend and hope you all enjoy the event.

Rotoiti Power Boat Club Inc.

IMPORTANT NOTICES

Powerboat Racing is a dangerous sport and all persons attending do so at their own risk. The Rotoiti Powerboat Club and officials do not accept any liability arising from accidents causing damage to property or personal injury.

Please note that event management reserves the right to refuse entry to the event or remove any persons from the event if, in the view of management, that person(s) is causing undue annoyance to others.

Please take notice of any safety signs placed around the event. Beware of moving vehicles; stand well back from the crane while boats are being launched. Please stay out of the water while boats are racing. No smoking in the pit area.

The Rotoiti Power Boat Club has a concession from the Department of Conservation to use the area which is a National Park. Take your rubbish with you or use the bins provided.

Any questions or issues should be directed to the Event Race Control Bus.
